TECHNICAL DATASHEET rev. 01 of 22/03/2016

DERGOS (detergent for wood) code SO8100/SO8110

TECHNICAL DATA

(based on room temperature of +23°C and 65% of relative air humidity)

Appearance	Milky white liquid	
Viscosity	11 ± 2	sec. F4
pH	10.0 ± 1.0	
Specific weight	1.00 ± 0.02	Kg/l
Thinner	Water	
Dilution	1:5	
Average yield of diluted product	1000-2000	Sq mt/US gal

DESCRIPTION

Mixture of surface-active agents and vegetable waxes in aqueous emulsion, DERGOS is a protective detergent especially developed for the cleaning and ordinary maintenance of oiled woodfloors. It is water-dilutable and can be used instead of DETEROL to obtain more protection and sheen. The product is available in two versions (for transparent and white oil treatments).

STANDARD PACKAGING

1-litre plastic bottles.

DIRECTIONS

Vacuum the floor. Dilute 1 part of DERGOS with 4-5 parts of water. Wipe the floor, without leaving surplus of product, with a soft cloth or a mop soaked in the obtained solution and well wrung. LET THE FLOOR DRY WITHOUT RINSING. You can shine to get a more even surface.

NOTICE

- Before starting maintenance on oiled wooden floors with DERGOS, wait 7-10 days to let completely dry the impregnation treatment.
- Dilute DERGOS only in water.
- ***ATTENTION!*** As a general rule, wood floors should not be flooded with plenty of liquid, but wiped with moist and well wrung clothes or mops.

SAFETY INFORMATION

Ingredients (Reg. UE 648/2004) Anionic surface-active agents <5%
Non ionic surface-active agents <5%

The product is classified as dangerous according to Regulation EC 1272/2008 (CLP) and following modifications and updating. Consult the Safety Data Sheet, provided by law, to get more information.

PROTECT FROM FREEZING!
If the original unopened container is stored in a cool and dry place, the product will keep for at least 12 months.

Obligation of manufacturer:
Technical datasheet and Safety datasheet are available for each Carver product. In case of products proved to be defective upon verification of manufacturer's persons in charge, manufacturer's only obligation shall be to replace such quantity of product proved to be defective or refund its purchase price. Neither the manufacturer nor its distributors shall be liable for any damage, loss or injury, direct or consequential, arising out of the use or the inability to use the product. The user shall ascertain the suitability of the product for the intended use. He is fully responsible for the correct application of the product in conformity with the local laws and regulations in force and undertakes all risk and liability connected therewith.
